

## **The Oklahoma Ice Storm**

Fire dancing throughout the darkness,

Beautifully burning all the night,

Icy branches all over the ground,

Beautiful fields of crystal and white.

Skies of blue,

Freezing winds blowing through,

**ALL ON THIS WONDERFUL NIGHT.**

Moms and Dads, brothers and sisters,

Sleeping silently together,

Family bonds stronger than the weather,

**ALL ON THIS WONDERFUL NIGHT.**

A strong wind blows causing the crystal trees to chime,

**IT IS A WONDERFUL NIGHT!!**
